Give your **outdoor space** an instant refresh with patio furniture ideas that make you want to leave the indoors and spend the warmer months lounging, entertaining and enjoying your own **backyard**. From dining tables that welcome the entire family, to chic sofas with pops of color and plenty of style, to the must-have outdoor accessories, there are plenty of ways to give your outdoor living space the upgrade it deserves.

These outdoor furniture ideas will inspire you to start planning the days and nights you'll be enjoying the view from your own patio.

## 2. Don't Skimp on Style

Bartone Interiors/ Lissa Gotwals Photography

Gone are the days where outdoor furniture only came in one or two styles or colors. Now your outdoor living space can match your design aesthetic whether you're inspired by modern, bohemian, **farmhouse** or mid century styles. Your outdoor space can compliment the furniture and decor inside your home or become a completely different styled living space. From chairs, tables, couches and accent pieces, you can create an outdoor living space that is not only practical and comfortable but also beautiful.
